Subject: Expiration Notice for Use Authorization No. 20-070428

Dear Mr. Engel:

My records show that your Aquatic Lands Use Authorization No. 20-070428 will expire on December 31, 2011.

Under Section 3.2 Renewal of the Lease, it allows for three (3) additional renewal terms of four-years each.

To assure appropriate handling of this agreement, please advise me of your intentions by selecting one of the following options and returning this letter to my attention within thirty (30) days.

☒ I would like to renew my lease for an additional four-year term.

☐ I do not want to continue to use this land.

This will help assure the timely processing of your agreement. If you intend to continue using state-owned aquatic lands, please remember that like any property manager, DNR continually updates its policies as new information becomes available. As the steward of Washington's state-owned aquatic lands, we regularly research and identify practices to better protect the aquatic environment. I encourage you to acquaint yourself with our management and stewardship of state-owned aquatic lands by visiting our website at www.dnr.wa.gov.
